

TASKI® swingo® 755 E

Cable powered automatic scrubber drier for floor cleaning

Key Features

- ▶ Unbeatable Cleaning Performance
- ▶ Increased Productivity and Manoeuvrability
- ▶ Excellent Ergonomics
- ▶ Simplicity and Easy Maintenance

Unbeatable Cleaning Performance

- ▶ The patented brush design follows the floor profile and delivers nearly even pressure allocation along the full working width. This results in excellent soil removal. The V-shaped squeegee allows excellent drying results due to the 3-caster wheel concept. Special squeegee blades and a direct suction design allow pick-up of small debris (e.g. cigarette butts) without clogging.

Increased Productivity and Manoeuvrability

- ▶ A bigger tank capacity results in less fill stops and therefore increases productivity. The dual axle system ensures easy handling and allows excellent manoeuvrability in confined areas as well as easy transportation.

Excellent Ergonomics

- ▶ The ergonomic handle suits all operators. All functions of the machine can be operated from the working position. The dashboard is self explanatory with minimum training needed and displays all required information.

Simplicity and Easy Maintenance

- ▶ Colour coded maintenance points increase efficiency and reduce the need for training. Fewer parts to maintain and easy accessibility make the machine extremely service friendly.

TASKI swingo 755 E Specifications

Technical Data

| Description | | Description | |
|------------------------------|----------------------------------|------------------------|------------------|
| Theoretical performance | 1290 m ² /h | Dimensions (L x W x H) | 116x47.5x119.5cm |
| Working width | 43 cm | Brush system | 1 x 43 cm |
| Squeegee width | 69 cm | Brush pressure | 30 kg |
| Solution tank (nominal) | 50 l | Working speed | 3 km/h |
| Recovery tank (nominal) | 50 l | Cable length | 25 m |
| Nominal consumption | 1500 W | Sound level | 69 dB(A) |
| Rated voltage | 120 V / 60 Hz; 230-240 V / 50 Hz | Protection class) | I |
| Machine weight ready for use | 130 kg | Approvals | CE/CB Test cert. |
